40 something with a nice personality. Good figure which she looks after. Some body pericings and tattoos for those that like them. Very nice one on her left nipple.

The Story:

Sian is a very nice lady who treats her slinets with respect. She wants you to have a good time and makes sure it happens. Lots of kissing and cuddling. Look after her and she will most certainly look after you. Sian offers a wide range of services. I didn't ask for much, but what I did ask for I got, along with a few touches that are all her own.
