The Premises:

Block of flats near the tube. Great location and very discreet, how it should be IMO. Very clean inside.

The Lady:

Attractive Polish girl, 20. Very slim figure and stats on her page are accurate. Has a distinct look to her which I liked, friendly personality.

The Story:

Missed seeing her last time I visited the flat as I was late, arrived early this time. She was wearing red underwear which was rather nice. Lots of kissing, owo, ro, 2 rounds of sex and some good conversation. She's more sensitive than other girls I've met so I had to take things a bit slower/softer than I normally do, but this did not detract from the great time I had.

Would recommend.
