### The Premises:

Very nice place, Annabelles Latina is very well situated just behind the shops in Ealing Broadway shopping center. I felt safe, easy to find.

The place is a 2 storey house, very clean and well lit.

### The Lady:

The lady has a naughty face nice tits but her bum is quite fat. This lady is cold as ice and doesn't speak a word, even though I asked her to say things in Brazilian.

### The Story:

I was there and I met Giovanna, very smily and gave me a kiss, and Jeniffer, how just shake my hand... Of course I asked for Giovanna but another punter took her just when I asked for her. I didn't feel like waiting for half hour so I went for the 2nd best.

She was cold and distant, no kissing, I had to ask her to get naked, she was quiet and serious. She touched me, put condom and oral I struggled to get a hard on with this girl and eventually I got her to HR and she was quite good at it, finished and I asked for a massage since it felt short, she was as good at the massage as with sex.. certainly her mind wasn't on any of this... really bad professional I wish I waited for Giovanna.

The place is great and the receptionist is very friendly and helpful, I was unlucky with the girl. I will certainly go again to try to get to fuck Giovanna or Carla but I wouldn't recommend Jenifer to anyone.

Please read this as a bad review to the girl only and not to Annabelles Latinas, I think the place is great.
