The Premises:

Clean double room in an anonymous house near to shopping centre with plenty of parking available nearby.

The Lady:

Attractive red headed English lady in her late 20s blessed with a gorgeous hourglass figure and shapely E cup boobs.

The Story:

Sarah welcomed me with some tender LFK before we undressed each other and I got to play with her lovely natural E-cup breasts. She was soon treating me to OWO with nice ball licking before she enveloped my cock with her large soft boobs for some breast-relief. I reached climax with CIM and she continued to suck until every last drop was in her mouth.

As I collapsed on the bed Sarah offered me a massage which I took her up on and as she unknotted my muscles we chatted away about mutual musical interests which she proved to be very knowledgeable about. She got me fully aroused again with some HR before hopping on top for some 69 as I got a great view of her delectable derri?re.

It was then time for sex and Sarah showed off her gym honed athleticism during some vigorous cowgal position. We got through a few more positions before I climaxed for a 2nd time during lazy doggie, unusually for me as I normally struggle to cum when wearing a condom.

There were still a few minutes remaining of the hour so I offered Sarah a massage which gave me another opportunity to fondle her splendid curves and I asked her about which of her colleagues she likes to go interactive with, something I would wouldn't mind seeing for myself some day.

An enjoyable GFE with a voluptuous and articulate lady.
