The Story:

I decided I would have a change from visiting the local parlours & booked a girl for an outcall. Ruby May from Stoke was my choice - she looked really fit on her profile & was just what I wanted ie young, slim with a fabulous pair of tits. Having phoned her & agreed a time she confirmed that she didn't charge for extras. During the afternoon she twice rang saying she was having trouble getting a lift & finally arrived at 6pm.

On arrival she looked very sexy in short skirt & heels & I immediately paid her ?80. She then spent 15 minutes in the bathroom talking to someone while I lay on the bed. When she walked in & stripped off she looked gorgeous - fantastic firm breasts, nice legs & a shaved pussy. She lay down & immediately started wanking my hardening cock but when I tried to kiss her she said that was ?10 extra so I moved on to sucking her lovely tits. However on moving further down she said that reverse oral was also extra so I handed over another ?10 so that I could enjoy licking out her cunt which she seemed to enjoy & made her come. I then asked her to suck my cock. Once again, despite what it said on her profile, owo was ?10 extra which I had to hand over there & then. She was not particularly enthusiastic at sucking me off & continually asked if I was ready to fuck yet. After about only 5 minutes owo I thought I might as well have her so it was on with the condom. We started off in missionary & she was very passive so we switched to doggy. Watching her cute arse & feeling those wonderful swinging tits was definitely the best part of a poor punt & I soon came inside her. Within 2 minutes she was dressed & gone. A sexy girl but not a good fuck. Also unreliable time-wise & charges extra for everything. I'll stick to the parlours in future. Avoid.
