Nice location, clean inside. Area is safe.

The Lady:

Absolutely gorgeous with a mischievous demeanour. Blonde hair, great body (scar across mid section but nothing bad imo and shown in her pics), great smile, I could go on...

The Story:

Started with lots of kissing, 69, good sloppy blowjob, sex, my head between her legs and more sex. Not once did it feel like I was with an escort, her personality is great and she seems to enjoy what she does. Genuine moans and orgasms, - though, like the last girl I saw, doesn't like to be on top for too long.

Easily one of the best punts I have ever had, would recommend her highly!
