The Premises:

Very nice secluded place just off the road. No neighbours or twitching curtains.

The Lady:

Absolutely gorgeous 26 year old Indian lady who speaks perfect English.

Her body is to die for: lovely breasts and very shapely. Not for those who love stick-insects but for people like me who like women to look like women, not boys.

Stunning smile and lovely face.

The Story:

Had a brilliant time with Tanya, started with a mutual fondling session, kissing and necking. I then decided to give her some oral: which she certainly seemed to enjoy. Then it was my turn and after a while she asked for 69.

It was starting to get too much so I asked her to mount me. She then started riding me as if her life depended on it, her lovely boobs bouncing away in front of me - very nice and I couldn't resist giving them a good feel. Then followed with energetic doggy whilst she frigged herself.

Finished off in missionary gazing into those lovely eyes.

Even though time was nearly up she offered a massage and we ran over slightly - she is not a clock watcher.

Would I go again? Try stopping me!
