The Lady:

Typical Thai girl long black quite tall for a Thai girl fake boobs and maybe size 8-10

The Story:

After paying room fee was shown to room by maid and was offered a drink, told to wait a few minutes. Didn't get a choice of lady but was happy when natasha entered the room, she didn't really say much but told me to strip and lay on bed for massage. Very professional indepth massage getting in all the kinks and pressure points in back and top of shoulders still not very chatty but I didn't mind. After about 15 mins turned off for a going over on front again very good but said she needed to leave room for a minute. When she leaved could shouting and arguing in Thai layed there feel abit uncomfortable. She arrived back five minutes later said sorry and carryed on. At this point extras were offered I must admit prices where quite steep so opted for handjob at ?40. Although not much eye contact was made during but very nice motion and action lasted a few minutes. After cleaning up had 15 minutes leaved so moved into hot tub, at this point she become more chatty which was nice. When time was up dried off payed up got changed. Went to leave but had to wait in room a minute or so as another client was there in reception, when coast was clean said goodbyes and done one.
