### The Premises:

A new build 1 bed flat in Bletchley, just a few minutes walk from the train station.

### The Lady:

A tall (5'7), mid-twenties redhead with a nice bum. A little curvier than her pics (size 10-12) with the addition of a few stretchmarks and bigger EE cup boobs due to her recently having a baby.

### The Story:

Having met Autumn before I knew exactly what I was in for. She greeted me with a hug and a kiss before we shared a shower and I took the opportunity to re-aquaint myself with her body. She did the same and before long we were kissing and playing under the water.

After the shower, we dried off and snuggled up on the bed. We french kissed until she ventured down to give me some great OWO before reaching for the condom and climbing on top for round one. We started in cowgirl giving me access to her ample bosom before rolling over into missionary. We snuggled again and talked while I recovered, before moving onto rounds two and three with plenty of kissing throughout.

An awesome girl, I'm glad to see her back.
