The Lady:

Poppy is a very pretty and lively girl. Well dressed and nice shapely body.

The Story:

. Poppy asked me in with her friendly and sexy voice. I was blown away by the most beautiful and fit girl. She is far more beautiful and sexy in the flesh than in her photos. I could not help but caress her firm orb shaped breasts as they thrust out over the top of her dress. I wanted to have a shower as I had been travelling all day but I was kept so busy by sexy Poppy and her tongue and hands that it had to wait a little. I just had to place my head under her tight fitting dress only to find no knickers! Time for more champagne!

Poppy carefully showed me how to use the shower and offered me all sorts of gents? toiletries. Out of the shower we continued to kiss and massage each other, then all of a sudden her dress was on the floor and she was naked? Poppy was so very helpful in arranging our bodies to achieve my desires ? nothing was too much trouble for her. All my requests were met ? Poppy is so willing and sexy. I face fucked her delightful throat with her head hanging over the end of the bed, her gag reflex just exploded over my deep cock ? lovely. I licked and sucked her delightful arse hole. As soon as I touched it, it was gaping open and my tongue went really deep. Following a frantic arse slapping session I fucked her arse in doggie. Poppy then gave me the most delightful forward and reverse cowboy ? her arse gripped my cock just like a silk hand. She slid her arse up and down my cock so very nicely and it got me going so much that I turned into a wild animal, thrusting up and down myself while uttering animal grunts! After this super fuck I turned my attention to her slippery fanny. I played with her good sized clit and lips before slipping fingers into her wet cunt and finger fucking her. She enjoyed that and shuddered happily on more than one occasion. I also found that Poppy quite enjoyed me licking and kissing her toes. She found it fun when I swapped feet without any warning. After a while I was kissing in between her toes and licking her entire foot at the same time as wanking her fanny furiously and flicking her nipples (Poppy taught me to flick nipples). Poppy gave me the most sublimely intense OWO and hand massage which I followed by shooting my white stuff all over her lovely rounded tits. That was so nice. I rubbed my juice into her lips and

onto her nipples until she glistened.

After a break for more DFK, stroking and relaxed chat I asked Pops to get me up again, which, although it took some effort she did for me with her lovely silky mouth. Then it was onto the bed and joyous variations on missionary fucking. I rode her strongly with hands holding her hips and then her feet over her head?.another absolutely wonderful fuck. Another comfortable shower followed by goodbye hugs and kisses. No rush whatsoever. Poppy is such a lovely and friendly Angel. She is dirty and full of filthy sex and I will be seeing her again to try more new adventures. Thank you for a great time Poppy ? kisses - Alan XXX
