The Premises:

Apartment in modern block. Apartment itself spotless and with nice atmosphere and no problem getting in and navigating to the apartment itself. Shower available.

The Lady:

Attractive oriental with a nice healthy rather than skinny physique and full breasts that I was slightly surprised felt real as they looked shapely enough to be enhanced. Looked fit for purpose and simply fit.

The Story:

I really enjoyed this visit. Rachel looked better even than her pictures and was welcoming and eager to please.

Rachel was soon fully involved in owo with nice wandering fingers adding to the effect. She was entirely happy to move into 69 and while I didn't probe any hole deeply, there was no reluctance with anything I did.

Rachel was very involved in our sex from behind given her noises and body action. After a long time, moved from pussy to bum and there was no suggestion of Rachel wanting to end it, in fact it was me who said heh I don't want to wear you out. Even then she was all for going back to oral but I was really happy with my time which was up now.

The absolute epitome of a genuine and very enjoyable lady who is impressively versatile.
