The Premises:

A small flat in Clifton. Nice part of town, felt very safe.

Flat itself was fine with a nice hot shower and a glass of wine on arrival.

The Lady:

Gorgeous. Cute, petite figure with lovely boobs.

The Story:

After a misunderstanding over an appointment the previous day, Angelina wanted to make it up to me with an extra 15 minutes. tbh I almost left it as I thought she was probably a time-waster but boy am I glad I didn't.

We did go through with the booking and it was pure fun and frolics from start to finish. She was very good to me both in how she acted and what she said.

She provided good deep owotc, sex in lots of positions a bit of anal play on her (next time I will try anal) and throughout all, lots and lots of deep, passionate kissing.
