The Premises:

A room in a large hotel near Euston. Good hotel, clean and tidy, easy to find and large foyer with easy access to the lifts without catching the eye of the reception area.

The Lady:

Ebony Belle is a full figured black lady, sexy in every sense of the word - she has a very friendly personality and makes you feel at ease from the outset.

The Story:

I have seen Ebony Belle before but she spends a great deal of time touring and so it was a pleasure to have her back in London. Hopefully she will be spending more time here in the near future. This was a no rush appointment and she greeted me at the door in a very sexy black outfit which needless to say did not stay on her for very long. If, like me, you prefer a full figured lady then Ebony Belle is the woman for you - whenever I see her I go ?wow? what an extremely sexy lady with her large boobs, luscious soft lips and sensuous body. She teased me with her body, rubbed me up and down b2b and played with my nipples which I like. I sucked her nipples and went down on her which she liked before she finished me off. She is very experienced and knows how to please. So guys treat her well, have good personal hygiene and you will be well rewarded with a mind blowing experience with a beautiful sexy woman.
