The Premises:

Clean, well-appointed flat in a large end-of-terrace building not far from Nottingham Trent University. Plenty of on-street parking available (perhaps subject to permit restrictions?) and close to tram stop.

The Lady:

Must be one of the most beautiful girls in Nottingham (and I don't mean only among escorts!). Alexis is a tall, slim brunette with the perfect body for fun. She has long, long legs that lead up to a firm, round bum and a very pretty, smooth pussy. Her breasts are firm and perky with lovely responsive nipples. Although her face is obscured in her pictures online, Alexis is very pretty...you won't be disappointed!

On the day of my visit, she was wearing some classy lingerie including panties that framed her beautiful bottom perfectly...I was hard before we even reached the room.

The Story:

The date began with some erotic French kissing during which I actually had to reach up to Alexis (I'm about 5'11") so tall was she in her heels. From there we undressed and moved to the bed for an erotic massage which developed seamlessly into some wonderful owo. I then returned the favour, Alexis lying on the bed with her legs open while I kneeled on the floor to lick her vagina and rim that beautiful bum. Sex followed in doggy until the moment arrived and I came hard inside her.

The whole experience was fantastic and we had a friendly and flirty chat before I left into the spring sunshine a very happy man.
