The Premises:

In the heart of Aldgate. An area that is very busy with mixed use. In the early evening very safe. The flat was clean and very warm. She shares with 2 other woman who looked gorgeous. I would like to visit each of them.

The Lady:

Loren is a very pretty brunette. Rather the girl next door if you have handsome neighbours. She was wearing a dressing gown and bra and panty set. She has natural breasts and a good body.

The Story:

I took the opportunity to stroke her body whilst I undressed. Her covered oral was vigorous and wet. I licked her tight pussy she lets fingers and tongue to explore and it was very exciting. In 69 I had to slow her down to a gently stroke or I would have cum far too soon. This was a very sexy encounter. Without a blink she was riding me and I would have loved to cum in her tight pussy but I could not resist a return to her mouth and although covered I shot my load with a resounding sigh. Loren was real fun, her English is good enough for a conversation and given the location intend to return for the other woman and more cumming.
