The Story:

I just wanted to post to warn punters of Suana2K.

I'd been a few times before but this was my last. this was in 2010 or 2011 I think and I'd forgotten that I meant to post something up.

The girl was lovely, we were having a nice long chat in the nude after a bit of massage. She really liked to talk and I went along with it.

Must have been talking for a long time as I said I'd like to have sex now and she then realised that she's been talking alot and my time was up. She was very sorry about it, i kept very calm and said it wasnt fair and she should get her manager to let us have 10 mins so I could at least climax but it was refused and a couple of heavies appeared.

I've learn to just walk and not argue in those situations. Sure, have my money but I'll not return. I just got dressed and walked out without saying a word.

I was naive to be chatting I know, I'd been drinking. lesson learnt there. But I didnt like the heavy vibe. never again.
