The Premises:

Lara visited my home.

The Lady:

Lara is a very beautiful, slender (8st 7lbs), 5ft 6" without heels, brunette with stunning blue eyes and measuring 35b-27-35. She has a foto on vixens-online.com , however she is even more attractive in person.

The Story:

After 2 e-mails and a couple of phone conversations it was agreed that Lara should visit me at my home to enjoy a meal and drinks/champagne prior to any further developments. She arrived wearing a classy sexy black blouse, short black skirt, stockings and high heels at my request. Lara is the true GFE. During the evening the conversation flowed over the meal. Lara has many fascinating interests and hobbies and was interesting to talk to. However, when we adjourned to the bedroom all I can say is PHROARRR!!! Lara is very sexy in bed particularly enjoying oral both giving and receiving and I was allowed to come many times- so many in fact that I could not remember the last time I had ever come this much!!! I actually thought I was going to run out of condoms!!! She never clock watched and this added to the ambience of the Girlfriend experience. Lara is a lady that should be courted and treated well and you'll be paid back many times. I guarantee you'll go week at the knees.
