The Premises:

Very smart and safe block of flats in the centre of the West End. Less than 60 seconds from the Underground. Excellent flat - clean and smart.

All brilliantly organised by Maya at Agency Touch of Class - an agency which has always lived up to its name.

The Lady:

It is VERY VERY rare for the lady to look as wonderful and beautiful as she does in her pictures - Milena is here to prove that that just occasionally some girls really are that gorgeous. As requested she met me dressed only in a towel - and she could hardly wait to take it off - God, she has a body to make grown men weep!

The Story:

I have no intention of giving you a blow by blow account of the most wonderful afternoon, but I will tell you that she is a generous and intense lover who concentrates on working out what you want, and then gives it to you. Whatever you do, make sure she rides you - magic, total magic.

I cannot understand why she does not have hundreds of reviews, she makes love like a goddess. chats easily in good English and then lies in bed with you post-orgasm and makes love with you. Don't miss out on her is my advice, wonderful lovers like Milena only happen very rarely.
