### The Premises:

Place is very nice, nicely decorated, and spacious, even though it is a basement.

### The Lady:

She has an incredible body and perhaps the nicest breast you can possibly imagine. You can't take her eyes away from her breast.

### The Story:

I had a great time. Very nice blow job. 69 was nice -- though it's clear she does not like to be licked and she cut it short as soon as she could. She went on top and it's clear she wanted to make it a nice experience for me.
