The Premises:

An apartment so near to John Lewis that my mother would approve! Clean, well organised and the receptionist lady was so helpful and kind after a torrid time on the M1 and in the pouring rain she calmed me down, helped me park and looked after me. Thank you. Very well organised as other have attested.

The Lady:

Fantastic. What a body! So smooth and with all the curves perfectly proportioned. In a word... Gorgeous. (My kind of girl.) Her breasts deserve a special mention and could easily be the subject of a "session" on their own. Pictures are good but in the flesh much, much better. And flexible, very flexible.

The Story:

Arrived late! We soon got started and Pixie ordered me undress and "relaxed" me. After that it was a blur a very, very nice blur. Pixie is one of those escorts who just loves having sex! As a result I had a fantastic time because she is as keen to receive as give. Pixie is very funny, energetic, kind and sexy. A true gem. (Again as others have attested.)

It was a great hour and produced a non-stop mixture of good honest sex. Very enjoyable and very primal. In addition, just touching Pixie's beautiful skin and exploring her curves would, on some occasions, be enough. Tonight I needed a lot more and got it. I was able to work my M1 traffic frustrations out helped by the wonderful Pixie. Thanks P - I will be back and I won't forget today in a long time. All good things at MK today.
