The Premises:

A modern apartment within a couple of minutes walk from the docks. Safe and secure with keycode access. Nice and clean bathroom to freshen up in.

The Lady:

Beautiful, tall, blonde east European lady (from Slovenia). Slim figure, long legs, enhanced breasts (but nicely done). Shaven pussy. A very friendly girl.

The Story:

A couple of months late with this FR, I need to get my act together more. I was greeted at her door with her wearing only skimpy underwear. After her gift and a shower she started off with a personal lap dance showing off her great figure, allowing me to fondle her waist and gorgeous bum. Progressing to covered oral. Afterwards oral both ways - lots of sex in various positions followed by a nice massage at the end. Happy to recommend, however she doesn't offer kissing which maybe can put others off. Not a problem kissing her tits and elsewhere though. She goes back home very soon so hopefully she'll return to the UK sometime.
