The Premises:

Basement flat in small block, just off Goodge Street. The room was clean, comfortable and warm.

The Lady:

Gorgeous, petite girl. Pale skin, dark hair. Amazing eyes. Lovely pert bum and boobs. Just my cup of tea. 2 small facial piercings and a pierced tongue (Which she used to good effect)

The Story:

This was a really good punt. Loren was a little shy and a little nervous at first, but that soon wore off. A very, very fun punt. Only downside was that she doesn't really kiss - just pecks, and that she struggled to take me for A. She gave it a good go though and was very apologetic when she couldn't.
