The Premises:

This flat is located between Waterloo & London Bridge stations. It is clean inside.

The Lady:

A Spanish girl, late 20's to early 30's, a dress size 12 - 14. She has large, natural breasts, but not very firm.

The Story:

An unusual, specialised punt because I was only interested in the facial finish knowing that Delinda had been at Bukake parties. The session started with covered oral which seemed incongruous given the finish. She sure knows how to suck, though, she took the whole length and I'm not that small. After a brief time, I took off the condom and stroked myself to completion with Delinda kneeling in front of me. She didn't flich as I covered her nose, mouth and chin.

On the way out there were 2 other girls sitting on the settee.
