The Premises:

A new apartment that is big enough to swing two cats without hitting the walls.

The Lady:

It's 4 years since I visited Autumn. In that time she has been blessed with two children - the latest of which popped out 8 weeks ago - so her body is still corpulent with post-natal voluptuosity. I can't complain, after all I'm almost 4 pounds above my competition weight.

The Story:

I pressed the buzzer and a quiet voice said, "Come up the stairs to the first floor." As I walked upstairs I saw Autumn at the door dressed in a red satin dressing gown. She was sporting her trademark spectacles.

After we'd caught up on the events of the intervening years, she gave me a sideways glance, "Are we doing some naughty stuff today?"

That was my cue to follow her into the seductively lit bedroom. She began tugging at my shirt, so I stripped off and we engaged in some DFK. I squeezed her breasts gently for fear the baby's lunch would squirt on the carpet.

I hopped on the bed and she joined me. She spread my legs, sucked my balls and treated me to some noisy oral without. During oral, she maintained eye contact for up to 5 seconds, which isn't bad by working girl standards.

She produced two ergonomically shaped vibrating devices. She handed one to me and used the other to tease my anus and scrotum. I used mine on my forehead and temples.

Autumn slipped on a cover with her mouth and climbed aboard. We indulged in some CowGirl before I asked to finish with a blowjob/handjob combination. Her blowjob was exemplary, taking me to within a whisker of ejaculation before letting my passion subside, only to rekindle the flames once more to produce a spluttering release of appreciation.
