The Story:

Had been planning to see this girl for months, and finally did. Despite her having been an escort for some time now, she is still fresh, dedicated and open minded enough. Happy to let me take the lead, which consisted in prolonged oral and then a deep pounding, all doggy since she was loving it which ended when I told her I was going to finish on her face. Turned her around, flat on the bed, and sprayed her beautiful face. 2nd round was a BJ in the shower, quite sensual, with an open mouth cim/facial.
