The Premises:

The place is discrete, easy to find and there is plenty of parking. Inside the place is clean and tidy and there are no issues with safety.

The Lady:

Karina is a lovely Brazilian lady in her late twenties and very, very fit there is not an ounce of spare flesh on this girl. She has lovely breasts with very responsive nipples and an ass that can only come from Brazil. Some of you may be familiar with Karina from Anabella's of Milton Keynes a couple of years ago.

The Story:

After a very friendly welcome I was very impressed by her kissing which led us on to the bed and closer inspection of her wonderful body. After much for play and my favorite sixty-nine where I could get the best view of the most wonderful ass, we move through the positions to a wonderful climax.

While one2one has girls like this why go anywhere else?
