The Premises:

Met in a smart hotel in Bayswater, reception was open and easy to find the lifts and the room itself was nicely done out clean and very large - plenty of space to have fun in!

The Lady:

Pretty much as the photos or video available on the internet show. She was wearing black underwear and suspenders and a black dress which showed off her more than ample bosom.

The Story:

Initially tried to see her but was all booked up, however a cancelation meant she had an hour available which i endeavoured to make the most of.

Arrived at the room and she looked divine, the sultry older woman. After sorting out her gift we chatted over a drink for a while, discussing typical things like her work, travel etc. After a while she suggested we moved thing over to the bed. I helped her to unhook her dress to reveal her gorgeous body clad in black underwear. We explored each others bodies on the bed and before long had ended up in a 69 position. Her shaven pussy tasted lovely and i couldn't get enough of it.

After covering up and entering her i began to pound away as hard as i could, she urged me on with some of the filthiest dirty talk i've ever heard and before long i had to pull out to cum on her magnificent tits.

We finished up with a massage, a shower and then i was off. Not sure if round 2 had been on offer but even so this was easily one of the best punts i've had, would certainly recommend Angie if you like the older woman.
