The Premises:

Nice hotel close to the tube. Busy reception and easy to find lifts. Room was quite small but the bed was big enough.

The Lady:

One of the most attractive WGs i've ever seen. Lovely tan, perfect shaven pussy, fantastic pair of (enhanced) breasts. She greeted me wearing a simple shirt and skirt which might have looked poor on other girls but I think Molly could have worn anything and looked divine.

The Story:

Arrived and after sorting out money and having a much needed shower we sat chatting on the edge of the bed. This didn't last long as very soon Molly had removed my towel and had her lips around my cock. Soon she had released her magnificent breasts which i let my hands freely explore, this was done in front of a large mirror so could watch her as she spit and sucked her way along.

She then clambered onto the bed for some 69, she tasted great and certainly gave the impression she was enjoying it. Soon it was on with a (for some reason green) condom and she straddled me and bounced up and down on my cock giving me a great view of her breasts jiggle as she did.

Then we swapped and it was my go on top, i pounded away so vigorously she described it as like a rampant rabbit. I soon couldn't take any more and came whilst banging her tight pussy, very uncommon for me whilst wearing a condom.

Chatted for a while afterwards whilst both recovering our breath, lying naked together on the bed. She was a nice easy girl to talk to and the view certainly wasn't bad either. Due to arriving late there wasn't time for round 2 but it may have been on offer if there had been more time.

Would certainly visit again as she's a gorgeous girl, only downside was she didn't seem very interested in DFK which was a shame as i'm quite partial to it but it didn't sour a very enjoyable encounter.
