The Story:

Complete first for me in this environment, only ever having experienced full punts previously. Events started with JJ appearing before me with a welcome drink. Absolutely stunning girl in tiny short outfit. Money sorted, both got stripped, and onto back massage first. So relaxing, she gives a superb massage. Soon she was crawling over me, rubbing her silky body on mine. I thought that was great, but it was to get even better. Over on my front I got to look at her body in all it's perfections. We had really good chat, some of it dirty. More b2b and wonderful caressing of her body. The whole sensation was arousing me, but she was careful not to over tease me. Such a memorable hour, culminating in her delicately making me shoot my load. As good as the best full punt, probably better. Highly recommended. Opt for the b2b, you won't be disappointed. Nearly overstayed my welcome, sorry JJ and thanks for the wonderful time.
