Ella is in her early 20's, C cup boobs and brown hair. Looks 8/10.

The Story:

After I'd showered she came back to the room and greeted me with a warm kiss which set the tone for a great session. After asking me to take her bra off, we got on the bed and enjoyed lots of FK (not really tongues though). Ella then gave me very good OWO, which we swiftly changed to a hot 69 to take my mind off cumming too soon. After enjoying this for a bit, I went down on Ella which she seemed to enjoy. Ella then applied the condom and I entered her in mish. With some FK this was really hot, and got pretty wild when I hooked her legs over my shoulder and fucked her good, which seemed to be getting her off. Some of the best sex I've ever had. We then switched to cowgirl for a while where she seemed to want me to lie back and let her do the work rather than be in sync. Finally into doggy which was very good, and finally blew a load up the condom in Ella. Really excellent session from a girl who gave it her all for a good intimate shag. Really thought we clicked too.

9.5/10 overall.
