The Premises:

Very clean, nicer than other building.

Very safe.

The only off putting thing was when waiting to go in kept hearing a loud male voice. As this was a new location for me was wondering, am I at right place. Put me a bit un easy.

Turns out its a security guard, so all right I suppose.

The Lady:

Tall slim. Great body and very attractive face. Lovely warm northern accent.

The Story:

I enjoyed the visit, but not sure if I would book again.

Scarlet is great and all, and the session was great.

But I came away thinking, while enjoying her job, after a busy day all she wanted to do was just stop working for the day and chill. I.e. she would have preferred not to work at 7:30 at night.

Which is fair enough, we all like to finish early,

As I said earlier i enjoyed my self, she is tall slim, natural big boobs and pretty face are a winning combination. May be if I had booked earlier it would have been fine. Maybe thinking there was another loud bloke in the house set the tone.

Sorry Scarlet, for being a bit negative, you a great looking woman, I will put this experience down to time of day.
