The Premises:

Nice flats in large apartment complex. Clean and tidy. I had been there before so it wasn't a problem.

The Lady:

I saw Jasmine Black with Sensual Jane as a double (only just got around to posting this). I had seen Jasmine once before and she's just as she appears in her films; Massive tits and cute face on a slim, small frame. Sensual Jane is taller with lovely boobs and massive nipples. For fans of porn stars this was an amazing double.

The Story:

Jasmine remembered me from before (she had done my nails in the down time on my last visit and remembered the laugh we had). I was blown away by the two of them together - quite a fantasy fulfilled. I had brought a tight white top for Jane to wear and she was obliging and they did all the things I wanted and the time passed in a crazy blur of skin, boobs, mouths, tongues. I had never done a two girl session before so it was an interesting experience but given the fact that both girls were so good I probably wouldn't do that again as it feels like you can only properly see to one girl at a time, but even so it was a brilliant experience and recommended to anybody.
