The Premises:

Diamonds of runcorn is clean, and discreet. Room is warm and spacious, wit a shower in the corner

The Lady:

Louise was described accurately on the phone, shoulder length black hair tanned and busty.

The Story:

Louise came into the room, chatty and talkative, First thing she asked what I liked , (nice touch)

Started with a sexy backrub, lots of boobs on back, Service was superb, Louise made me feel like a love god, and the whole time flew by .

Louise is smart sexy and easy to talk to . As it turns out our careers had something in common, and I found Louise engaging on quite a few subjects.

I tipped her the ?5 change as this was better than punt costing upwards of 100 quid
