The Premises:

Easy to find town house right across the road from the shopping centre. The room we was in was spacious and more than adequate for our needs.

The Lady:

Lara is 5'10" with long dark-brown hair. She has a fullsome pair of enhanced breasts, has superbly tanned skin and is about 30yrs old. Her online pix are about 5 years old, but are of her. She has an engaging personality and a beaming smile and we clicked straight away. She was wearing a red string-lined 2-piece, red fishnets and high heels.

The Story:

After sharing a few laughs together, proceedings began as I sat on the bed and ran my hands up & down her back and bum as she pushed her breasts into my face. I then tried to unclasp her bra but couldn't find the hinges. Lara smiled and said 'from the front?' as she zipped down her bra. Woz-zaa, what a sight greeted my eyes! We then moved onto RO with Lara kneeling on all fours on the bed before me.

We kissed in a true GFE style. Lara stroked my scrotum as I cupped her fanny with my hand. She started kissing and sucking my nipples which gave me absolutely no sensation but it did allow me to kiss her tenderly on her forehead. She then made her way down to my cock and she sucked it gloriously. When I was ready she leaned over to the bedside cabinet, got a condom out of the packet, put it in her mouth, and went back to my cock which she sheathed with her mouth by rolling the condom on it. We then shagged in mish but my knees kept sliding on the silken bedspread, so I raised her legs onto my shoulder to get deeper in.

In between rounds we chatted as she told me about herself. She lives in Sao Paulo and speaks very highly of the place. She's going back there for the Carnival next February and she suggested that I should go there for the 2014 World Cup. Sounds like an invite worth taking up!

Round 2 began with me giving prolonged RO on Lara which culminated when she clamped my head tighter with her thighs as I brought her to orgasm. After more DFK and embracing, Lara gave

me a shattering OWO and I gazed at her bobbing head and her tapering back and shapely bum. That led to eruption no.2 after which we spent the remaining minutes of our time together kissing and cuddling.

Lara is a wonderful woman to spend an hour with. She gives a full-on GFE and is a fantastic kisser. Would I see her again. You bet!
