The Premises:

Usual CMK location, very clean and easy to find. Parking available at a very cheap hourly rate. Very safe location.

The Lady:

A beautiful, well groomed and presented lady. Just as described by her web site but the photographs (which are stunning) really don't do her justice - and when she speaks.....I go weak at the knees.

The Story:

I had an amazing time - she has a perfect body and the personality to match. What occurs between a lady and a gentleman should always remain private however, I will say her French Kissing is exceptional and her willingness to please will leave you breathless.

Afterwards, we cuddled and chatted - I could listen to her talk all day - and I found out I eat bananas "like a monkey"!

She's my Countess Lady Camoynes and I'm her Major Sharpe.
I'll be back soon - the "Campaign" isn't over.
