The Premises:

Grotty flat on busy road. Room was fine though. Plenty of parking over the road at an industrial estate.

The Lady:

Not the girl in the photos. Tubby, short hungarian. Early 20s. Pretty enough face despite overdone makeup and badly dyed hair.

The Story:

Very rushed service. Paid for an hour, but was done and out in half that time. Girl was nice enough, especially for the price but I should have known better. For a half hour quickie suck N fuck it was fine, but did not live up to the billing of the AW photos.

Lesson learned. There are plenty of better places at similar prices in the area.
