The Premises:

New development near Paddington Station, porters desk very friendly with the direction to her flat, clean and spotless with bathroom in the room and clean dry towels.

The Lady:

Slim, very pretty young girl the hair is not as red as it is in the pix but she is a natural redhead, cool girl she has a piercing on the nose and part of hair on the side is shaven.

Very clean and she smells yummy

The Story:

When she opened the door with a smile, handshake and kiss on the cheek I knew I was in for a good time, once inside she offered me shower and drink, she's very calm, sweet and friendly Girl you will feel at home with her.

She offers DFK OWO A-Level CIM all were taken with great results.

If your looking for a teenage type girl then look no further this one is a gem in London especially for A-Level lovers she can be called the teen anal queen.

Treat her will with respect and you will be rewarded ten folds.

I can't wait to come back to London to see her again but this time for longer.

WARNING= this girl is very addictive ;)
