The Story:

Exchanged the money and away we were kissing like young lovers. She is a lovely kisser - i could of just kissed her for the whole appointment time. She did give me a few love bites which will remind of our meeting.

We had Sex in Missionary... She is a great lover!

Can't really think of what else to write but guys i would recommend you start forming an orderly line as she is one of the best punts i have ever had.

Hope you liked the roses and Lilleys.

And next time I will maybe show you a few more moves on from playing the guitar.
