The Premises:

It was a late night booking and perhaps the last booking. Her place was not clean. Yes, it was safe.

The Lady:

As far as her physical appearance is concerned, She has really very good body, looks very attractive. I personally liked her beautiful, attractive and young face.

The Story:

I booked Elise late night and it was my biggest mistake. She looked so tired and unwilling. There was no energy, prompt, enthusiasm, leading like other Maxes Angels I have seen. The room was uncleaned. This was the worst experience I have ever had at Maxes. The most embarrassing moment at the Maxes was her phone which kept ringing often while we had a sex.

As far as her service is concerned, it was below average especially after seeing the top stars of Maxes Angel Agency. However, as I only prefer Maxes Angel Agency over others, I will see other top Angels at Max.
