### The Premises:

Her place was very comfortable. I think it was the best place I had ever attended. I felt very safe.

### The Lady:

She is a PSE girl. She wore exactly what I requested. She really has a perfect figure and a perfect young and fresh body.

### The Story:

It was the most wildest experience I have ever had in my life. She kept asking for watersports before the session ends but failed to do it due to lack of time. She had to give every sort of experience in an hour which I believe was not possible. I have not seen any other Angel at Max who is so highly energetic, wild and dominating girl. Will see you again.
