The Premises:

Nice flat between Gloucester Road and South Ken. Easy to find and the whole area is as safe as you might want.

The Lady:

Absolutely stunning. Samantha advertises under Erotic Samantha, and apart from being very good looking, has one of the most amazing, slim, pert bodies I have ever had the pleasure of seeing. She has shoulder length blonde hair and C cup breasts, she is tall-ish and slim.

The Story:

I've been waiting for an opportunity to see Samantha for quite a while, but unfortunately I don't think she and I really clicked. Despite her jaw-dropping appearance I found her a little too reserved and distant. Not much kissing, and didn't seem very into 69. Perhaps she didn't really find me her cup of tea. Despite the lack of rapport the sex was fantastic - she has great control over her pussy muscles - and her oral (without) was superb. She states on her profile she does Anal, and certainly allowed some finger play there, but because we didn't click I didn't want to ask for penetration.

I'd recommend her because she has had very good feedback, so perhaps I just got unlucky, however I won't return to find out.
