The Premises:

Okay apartment off Hagley rd. Felt safe enough, with parking around the corner.

The Lady:

Tall, slim leggy blonde. Large natural breasts but definetly not model material as she describes.

The Story:

Arrived at her place and was directed upstairs to a pleasant spacious room. However, I remember feeling an instant disappointment upon seeing her considering the description; she's a former model, with a pretty face etc. Service inside the room was rushed and french kissing not offered. No big loss I later thought considering she smelt like a heavy smoker with the teeth to prove this. Finished quickly and was happy I had finally seen the 'model', but at the same time wished I hadn't bothered.
