The Lady:

Pictures on the web site are accurate and Lana talks with a sexy Russian accent, but her English is good as she has been here some years now.

The Story:

I have visited Lana twice now and intend to visit again as soon as I can arrange. On the first time visit there is some obvious caution involving phoning when you arrive at the gate to be given the door codes for entry to avoid time wasters etc.

This is definitely a GFE experience and I barely got my clothes off and we dived straight into snogging/French Kissing still standing and her tongue was down my throat in seconds - I wish I could do that; I could make the girls so happy! We moved to the bed for a period of mutual massage interspersed with more kissing and stroking my cock. I performed reverse oral which seemed to be well received with much encouragement and caressing of my hair.

Then it was time for a oral without on my and I held back as long as I could until I had to stop before I came so could finish in cowgirl on me.

Lana is such a friendly enthusiastic girl that my next visit will be an hour cum twice session if she is up for it.
