The Premises:

Place was fine, thought the area was going to be rougher then it was. Decent premises. 30p parking too, was offered to park outside, but my vehicle is not particularly subtle.

The Lady:

WOW! Jesus wept, hotter then the photos, also seemed slimmer then photos suggest! Perfect arse and knockers, real cute smile - amazing!!

The Story:

Ive been eyeing up pixie on the website for some time now, tried to visit a few times before, but to no avail.

This time was different, phoned on the off chance and she "OMG" was available - SWEET!

Shown up by the maid, i sat waiting in anticipation.

She arrived - my god she is the most amazing ever, what a great girl (and slightly crazy - suffocating me with her great tits was a new experience), not to mention she could suck a brick through a hosepipe this one!

Great passionate kisser, horny as fU@k and real fun just to chat with after. She really made my day , week , year!!

WOW!!
