The Story:

Havent posted a report in a while and I havent been down to Debbies in a while either.

Called while I was finishing work and was told that two girls were working - Kate and Lara, both had great descriptions on the phone so I thought why not.

I arraved on time and had to wait for around 10mins with the made which was nice. Offered a time to pass the time which waiting for either Lara or Kate to finish up.

Kate finished first and see looked great so I happy to see here.

Didnt feel like having a shower today and so just went for a quick 30mins session.

Very chatty and makes you feel at ease right away. Gives a very good bj and I had to ask her to stop before I shot my load. I finsied with Kate on top and would have loved to have lasted longer - however with a sexy girl like Kate - its a hard thing to do.

Great addition to the line up here at Debbies and will be back again.
