### The Premises:

Outcall

### The Lady:

The lady was neat and on time and was good looking better than her pictures. She was good will visit her again.

### The Story:

I had booked her for owo(swallow) as her agency listed this as one of her service but the lady said it was wrong and she does not swallow, so I had to send her back after 15 minutes but will visit the lady again as this was not her fault.
