The Story:

Let me get something out of the way. Chrissy is not a size 12 but that didn't bother me. Chrissy confessed to be new to the industry but she didn't let it show. I'm a fan of kissing and clearly so was she as we spent a lot of time kissing. Btw she is a great kisser. This was proceeded by some fantastic OWO which I then asked to turn into 69. After much fun 69ing we put on a condom on and proceeded to have sex. She definitely seemed to be enjoying herself as was I.

Once our session was finished we exchanged so nice chit chat, there was no hurry to get me out the door. If you like curvy girls then I would recommend Chrissy to you
