The Premises:

The place was situated on top of a shop, close to Stratford shopping centre. Entrance was from behind. Area seemed safe, maybe less safe after dark. Had to park on a meter, ?2 for an hour.

The Lady:

Lucy is European, a slim size 4-6, light tanned skin, with a pretty face and a pleasant smile.

The Story:

This was my second time at this flat. My last time with a girl called Cassy was a bad experience, but I thought I'd give the place another try. Big mistake.... I went for the ?60 hour service, which was listed as including OWO, reverse french, sex as many times as you want and anal if you the girl was happy with your size. I went to go down on Lucy, but she closed her legs and pushed my head away. She didn't speak english apart from 'no, no'. She showed me some kind of spot and I concluded that maybe she has spots down there. This obviously put me off. So I asked for french without. Again she said, 'no, no'. So I realised by the look on her face that she don't like it. Before I was even ready, she tried to slip the condom on and wanking me to get it hard, which it did. So we had one session, in only missionary. After I finished, I took the condom off and wiped myself. She now started to say, 'no sex, no sex'. But I said I had paid for an hour and wanted to do it again. She got up and lit a cigarette. After smoking she got on top of me and started kissing my chest. Again yanking at my cock. Again she slipped a condom on before it was hard and lay back legs open. I fingered her a little till I was hard again. Again it was missionary, but before I could finish there was a knock on the wall. My time wasn't up but cos of the whole episode, I got dressed straight away and intended to chat to the maid. When I saw a burly mean looking bloke, I thought it best I just leave. My calls and texts of complaint later were ignored. Apart from a reply saying, 'am very busy'. Shame I won't return, cos there was a stunning blonde girl sitting there that I would have returned to see another time. A great dissapointment.
