The Premises:

This is a typical flat in a parade of shops near Lewisham station. It isn't discreet but it is functional and clean inside.

The Lady:

I was let into the flat by Samira who was wearing a short dress. This is an upstairs flat and she led the way so I had a splendid view of her bum. When I got to the top of the stairs there were 3 other girls so I had a choice of 4. I selected a petite, Indian looking girl which seemed to surprise Samira.

The Story:

I would sum this up by saying a lovely girl, shame about the language barrier. I'm sure she wasn't Indian, but her brown skin and nose jewellery gave her that appearance. She took her top off to reveal a lovely pair of possibly 32C breasts. A nice handful and firm too. Her bum is also slim and firm. I opted for a nice,slow handjob because of her breasts. I was refused a request to suck her nipples because it was more. Ok, I wasn't that bothered so I just enjoyed the sensation and the image of me in the mirror on the wall opposite. I looked huge in her small hands.

While dressing I tried to get her nationality. Not Indian, Bulgarian or Turkish. I gave up! The music playing in the room next door was Arabic in origin.

I may go to this address in future as it is handy for the station.
