### The Premises:

Debbies Massage near Anerley Station is a well known haunt and a safe place to visit with parking nearby back and front doors. Since I last visited the circular bed has gone from the main bedroom. I was shown straight into the room so do not know what is in the other room currently. Debbies is my regular haunt and so I have left most of my feedback over the years for her place, I hope this is acceptable to the mods!

### The Lady:

Kate is a tall, slim blonde with a cheerful disposition and is very accommodating. When she entered the room she was wearing similar kit as shown in the pictures. I do not doubt her age and also the pictures are recent.

### The Story:

Easy to talk to and with a ready giggle, I was at ease straight away, I chose the "Special" and had the shower first, by the time we had finished we were certainly clean all over. Into the room and onto the new bed which creaked a bit but no matter. I was in one of those "I could go on for ever" moods so three or four positions and finally had to resort to a HE for the finish. She is another one of Debbies stars, where does she get them from, I would love to be part of the auditioning process! I did not ask her permission to leave feedback so have kept some of the enjoyable features of our time together to myself I noticed she did not have any feedback on Debbies site after the punt so thought I would leave a short report.
